This letter confirms that Jiefu YANG was an international student who was enrolled in the above program at The University of Adelaide, North Terrace Campus.

In order to be accepted into this program, Jiefu YANG had to meet English language requirements. All teaching at The University of Adelaide is given in English, and the assessment criteria for international students are identical to those of domestic students.

Jiefu YANG completed the requirements for the above program on 18 December 2015. Once the qualification is conferred, the student is eligible upon application to participate in the University's Graduation Presentation Ceremonies.
